## JOIN OUR TEAM **THIS SUMMER!**

### HOW TO APPLY

Visit our website at  
**harder.com** or scan the  
QR code to learn more.

**APPLICATION DEADLINE**  
**February 26, 2024**

**Full-time summer internships**  
**for students interested in**  
**project management**

## WHERE **YOU'LL WORK**

You'll work with clients like Intel or TSMC in one of our many locations where you'll gain firsthand experience working on an active construction site, and learn the ins and outs of an on-site office.

Harder works in the commercial, industrial, and high-tech industries, so no matter your interest, we have the perfect job for you!

📍 Portland, OR

📍 Richmond, CA

📍 Phoenix, AZ

📍 Los Angeles, CA

## WHO **YOU'LL WORK WITH**

You'll learn directly from our superintendents, project engineers, and project managers, and build invaluable connections in the mechanical construction field.

## OUR **PROGRAM**

Harder's internship program is designed to start your career in construction! We provide you with the opportunity to gain valuable hands-on experience on one of our industry leading projects and learn from our expert teams.

## **ELIGIBILITY**

- Mechanical Engineering
- Construction Management
- Engineering Management
- Civil Engineering
- Industrial Engineering
- Structural Engineering

## **TIMELINE**

The application deadline is **February 26, 2024**, and interviews will be held in March. We will work with you on a start and end date to accommodate your academic schedule.

## KEY SKILLS **YOU'LL LEARN**

**ESTIMATING AND  
SCHEDULING**

**DOCUMENT  
CONTROL**

**PROJECT  
MANAGEMENT**

**CONTRACT  
ADMINISTRATION**

“I feel more prepared after this internship, now I know what to expect from the project management side of engineering and what is expected of me. This internship has made me more well-rounded as an engineer.

— Michael Salgado, *Field Engineer Intern*
